

### Micha Perek 5

- This perek is a prophecy of redemption
- Mashiach, who stems from the lineage of Dovid, is going to be revealed to the world.
- God will hand Yisrael's enemies over to them.
- The remainder of Yisrael will return to Eretz Yisrael. Mashaich will rise and lead them with the might of God.
- Then they will live in tranquility and Mashiach's fame will spread throughout the world.
- If Assyria comes to attack, Hashem will provide seven shepherds and eight princes to defend Yisrael. (**Sukkah 52B** brings that the seven shepherds and the eight princes are all men of high standing. The seven shepherds are: Dovid, Sheis, Enosh, Mesushelach, Avraham, Yaakov and Moshe. The eight princes are: Yishai, Shaul, Shmuel, Amos, Tsefania, Chizkiya, Eliyahu and Mashiach.)
- Mashiach and his men will defend Yisrael.
- At that time Yisrael will be like a lion that tears apart its prey. According to Rashi and Metsudos this refers to the war of Gog U'Magog.
- Hashem is going to purify Yisrael by ridding the land of all the false prophets, idols, and impurity.
- God is going to wreak vengeance upon the nations which didn't follow His word.
