

Yonah Perek 3

- Yonah again received prophesy from God to reproach the people of Ninveh for their sins and to instruct them to do teshuvah.
- Yonah traveled three days to reach Ninveh, and another day to enter deep into the city.
- Yonah called out: "In another forty days Ninveh will be overturned!"
- Immediately the people of Ninveh started doing teshuvah.
- When the king of Ninveh heard about this, he changed his royal clothing for sackcloth, and declared a public fast day with prayer.
- God revoked the heavenly judgment to destroy Ninveh.
