

נדרים דף ל"ח

POINTS TO PONDER

1. The גמרא says that in ארץ ישראל they split the פסוק ויאמר ד' אל משה הנני בא אליך וכו' in to three פסוקין. Why did they do this?
2. The גמרא says that משה רבינו only became wealthy from the פסולת of the לוחות. Why is it important that all is wealth came from one source? Maybe he also made money from other sources?
3. The גמרא learns from משה that a נביא must be a חכם ועניו, גבור, עשיר, חכם ועניו. We can understand why he needs to be smart and a עניו, but why גבור ועשיר?
4. The גמרא says that in the beginning משה רבנו learnt the תורה and forgot it until it was given to him as a gift. The גמרא is referring to the 40 days that משה spent in שמים with הקב"ה. Since the הקב"ה was going to give him the תורה as a gift why wait until the end of the 40 days? Why not give it to him right away.
5. The משנה says that a טמאה נפשה וגופה לשמים. Since the point being made is that he can't eat the טמאה why is it expresses in terms of a גוף ונשמה? It should just say אינה עומדת לאכילה, which is the actual point.
6. The גמרא says that a father can marry off his mature daughter but it should be מדעתה. Since she is an adult, why does it need to add that it should also be מדעתה. Isn't it by definition מדעתה because she is independent.
