

Yeshaya Perek 62

This perek is a prophecy about how Eretz Yisrael will be remembered, rebuilt, and restored.

For the sake of Tzion, Hashem will not be quiet .

Hashem will not have internal peace until His light will shine forth to help Tzion.
(Radak)

Hashem will rejoice with Tzion like a groom with a bride.

The relationship between Am Yisrael and Eretz Yisrael is that of a bride and groom.
Eretz Yisrael has no "mate" until Am Yisrael returns to her soil.

Hashem appointed a watchman over Yerushalayim.

Yisrael will be redeemed and will be called a holy nation.
