

Yeshaya Perek 65

Hashem tell Yisrael, "I did not answer your prayers because you angered Me. You worshiped idols right in front of My face!"

The Navi relates that despite Hashem's anger He will still choose Yisrael as His nation.

"Would a farmer throw out an entire cluster of grapes because of a few rotten ones?"

Hashem will slaughter the idol worshipers and reward the righteous.

Hashem will permanently rejoice over Yerushalayim and Eretz Yisrael.

Mankind will live to ripe old ages. People will not die before their times.

"Houses in Eretz Yisrael will be rebuilt and inhabited. Vineyards will flourish and be eaten from." Note: This is one of the signs of the geulah which is taking place now, in front of our very own eyes.

"I will answer Yisrael before they even call out to Me."

There will be peace and harmony in the world. Even animals will no longer harm each other.
