

Yirmiya Perek 2

Hashem's love for Am Yisrael is like the love of a bride and groom.

Yisrael was hand-picked by Hashem from all the other nations of the world.

Yisrael had stopped seeking out Hashem.

The nation abandoned Hashem.

They chose to serve other gods and put their faith in false beliefs.

Yisrael will be punished for leaving Hashem.

Who on earth would leave a true God and serve a false god?

The nation no longer feared Hashem.

Hashem will abandon Yisrael to whatever they put their trust in.
