

Yirmiya Perek 10

Idols have no intrinsic value because they are made of sticks and stones.

Who is as great as God, Who rules over the heavens and earth?!

The entire world shakes from fear of Hashem.

Yisrael is the personal inheritance of Hashem.

Yerushalayim's tents have been destroyed and ravaged.

“Hashem, please chasten Eretz Yisrael and Am Yisrael with measure.

“Pour out Your wrath on the nations who don't know Your name.”
