

Yirmiya Perek 11

Klal Yisrael had broken the eternal covenant that they had with Hashem.

Hashem had desired from long ago for Yisrael to “be a nation for Me.”

“If you listen to my words I will give you the land of “milk and honey.””

Hashem will bring severe suffering and disaster upon Yisrael. No one will be able to escape.

“They will call out to Me, but I won’t answer.”

Klal Yisrael is compared to an olive tree that Hashem will set on fire.

The residents of Anasos were planning to assassinate Yirmiya.
