

Yirmiya Perek 17

Hashem related: "The sins of the residents of Yehudah are engraved in their hearts, so I will take away all of their material amenities.

"Blessings will come upon a person who trusts in God."

Relying on Hashem is comparable to a tree with deep roots that can weather external circumstances.

People who gather wealth will ultimately not be able to utilize their money.

The location of the Beis Hamikdash is aligned with Hashem's Heavenly Throne of Glory (Radak).

Hashem is the true savior of His nation.

Yirmiya prayed for personal healing and a savior for the nation.

The Navi relates the importance of keeping Shabbos properly.
