

Yirmiya Perek 33

A prophecy of comfort about the final redemption:

"Call out to Me and I will answer you. I will perform wondrous, amazing deeds in the world!"

Hashem will rebuild Yerushalayim.

Hashem had hidden His face from Yerushalayim due to the evil that had taken place in the city.

Hashem will forgive all of the sins of Am Yisrael and purify their hearts.

"Yerushalayim will be a source of glory for My name and My people."

All the nations on earth will hear of all the good that God does.

Offerings of thanks will be brought in the Beis Hamikdash.

Mashiach will come from the lineage of Dovid.

Yerushalayim will be in a state of "peace and security."

Hashem will never switch the Jewish nation for another nation.
