

#### Yirmiya Perek 34

This prophecy occurred while Nevuchadnetzar was attacking Yerushalayim.

King Tzidkiya will die in Bavel.

King Tzidkiya will have a proper burial, unlike the other kings of Yehudah.

Klal Yisrael initially listened to King Tzidkiya's command to set their slaves free. However, after Yisrael had freed their slaves, they actually recaptured them and forced them to return to work.

Hashem is going to cause horror and devastation to Yisrael for retaking their slaves after they had been freed.
