

### Yirmiya Perek 43

Yochanan ben Kerach did not keep his word after swearing to Yirmiya that he would follow the word of God, regardless of whether or not it was favorable.

Hashem said to stay in Eretz Yisrael, and not go to Egypt.

Yochanan accused Yirmiya of lying.

Yochanan took to Egypt all of the men, women and children who had either remained in, or had returned to, Yerushalayim.

Yirmiya and Baruch ben Neriah left Eretz Yisrael with Yochanan and the rest of the people.

Hashem delivered a harsh prophecy to Yirmiya.

Hashem related that Nevuchadnetzar would overthrow Pharaoh, the king of Egypt.

Nevuchadnetzar will wreak havoc on everyone (including the Jews) who were in Egypt.
