

## Yirmiya Perek 47

Note: Sefer Yirmiya was not written in chronological order, which makes these prophecies difficult to place in time.

The Living Nach explains that this prophecy took place 18 to 22 years prior to the destruction of the Beis Hamikdash.

This is a prophecy to the Plishtim about how Hashem will destroy them by sword.

“Why are the Plishtim quiet when they should be trembling?!”
