

Yechezkel Perek 2

Hashem charges Yechezkel with his mission as a prophet.

“I am sending you to My rebellious nation because they have sinned against Me.”

Yechezkel was told not to be afraid, despite the opposition he will face.

Hashem tells Yechezkel that he may not deviate from His word.

Yechezkel sees a hand holding a scroll, stretched out over him.

According to the meforshim, the scroll essentially contained the suffering of Yisrael throughout the exile. (Listen to NachDaily audio for further information.)
