

Yechezkel Perek 22

Perek 22 is a prophecy of destruction.

The streets of Eretz Yisrael will be filled with blood.

Eretz Yisrael will be disgraced, humiliated and embarrassed.

The people have stopped keeping Shabbos!

Immorality has hit new heights. Sexual offenses have been committed throughout the entire land.

The residents of Yerushalayim are as worthless as silver, iron, copper and lead. They will be brought to a central location to be smelted down into one.

The leadership has become corrupt!

God will pour His anger on the false leaders of the nation.
