

Yechezkel Perek 24

On the 10th of Teves a siege will be laid on Yerushalayim.

Yerushalayim and its residents are compared to a pot with meat cooking in it. The meat (Yisrael) will be completely cooked and burned in the pot (Yerushalayim).

Yerushalayim will be destroyed with its residents.

Yechezkel's "delight" (meaning his wife) died as sign to the nation that the "delight of the world", the Beis Hamikdash, will be destroyed.

Yechezkel was commanded not to mourn for his wife.

On the day when the Beis Hamikdash will be destroyed the nation will be dumbfounded and unable to speak.
