

Yechezkel Perek 29

This perek is a prophecy against Egypt.

Pharoh is compared to a sea monster who made himself into a god.

Egypt will eventually be turned into desolate ruins.

In due time God is going to send Bavel to fight against Egypt.

Forty years after Egypt is destroyed its residents will be allowed to return. However, Egypt will not be as strong as it was originally.

“On that day, I will cause the horn of Yishai to sprout, and all the nations of the world will know that I am God.”
