

Yechezkel Perek 37B

Note: This is the second half of the perek which focuses on pesukim 15-28.

Yechezkel was commanded to take two sticks and write on them "Yehudah" and "Yosef", and then join the two sticks together.

This represented the complete uniting of Am Yisrael in the times of Mashiach.

An ingathering of the exiles will take place.

"My servant Dovid will reign over My nation in their own land.

"Yisrael will follow my Torah and keep its laws.

"The Beis Hamikdash will be rebuilt and last forever.

"The nations of the world will know that I am God."
