

Hoshea Perek 8

Hoshea was commanded to blow the shofar at the Beis Hamikdash to get the nation's attention and to rebuke them. (Malbim and Ibn Ezra)

“Yisrael should have called out to Me, but they didn’t!”

Hoshea rebuked the nation for worshipping idols and money.

Yisrael was held accountable for not getting rid of the golden calves that Yeravam ben Nevat had set up. (Radak)

Because Yisrael had trusted other nations to be their allies, they will be exiled from their land.
