

Hoshea Perek 11

This perek relates God's unlimited love for His nation.

"I loved you since you were a child.

"I sent you great prophets as a kindness to you to help you mend your ways.

"You are dear to me and I drew you close to Me with compassion.

"However, you failed to listen to My word. You will therefore be exiled."

If the nation would do teshuva they would be taken out of exile.
