

Amos Perek 5

In this perek Hashem laments over Yisrael.

“My land has been abandoned.”

Amos calls on the nation to do teshuva.

Amos relates, "If you seek God out you will live.

"It's never too late to come close to Hashem and do teshuva, no matter what you may have done in your life!"

The nation should avoid idol worship at all costs.

Yisrael's attitudes have become so distorted they turn “day into night and light into darkness.”

Amos urges the nation to listen to God's prophets.

Amos tells them that they should “do good and stay away from bad.”

Woe unto the nation if they don't do teshuvah.
