

## Amos Perek 6

This perek is a prophecy of harsh destruction.

"Woe unto Yisrael who trusted in their alliance with other nations and not in God. (Rashi)

"Judging by Yisrael's actions, they would seem no different than the nations of the world.

"They promote injustice throughout the land.

"They have become spoiled due to their extravagant life style.

"They have the audacity to sit back and sing songs as if they were Dovid Hameelch!

"The nation indulges in its base desires.

"Therefore Yisrael has become despicable to Me!

"Yisrael will be punished for what they have done."

God will send another nation to take Yisrael into exile, off of their land, as punishment for their actions and attitudes.
