

Amos Perek 8

Hashem shows Amos a vision of a basket of summer fruit.

Note: According to Radak, the word for summer is “kayitz” which is the same word as “keytz,” meaning the end.

Because Yisrael is coming to an end!

Hashem will no longer forgive His nation.

The nation constantly exploits the poor and the destitute.

God won't forget how Yisrael has acted.

The entire earth will quake!

On that ultimate day the sun will set early and the earth will be darkened.

On that Day, there will be a famine in the land, it won't be for bread or water but people will be starving to hear the word of God.

Throughout the world people will be wandering, trying to satisfy their thirst for the word of God.
