

Amos Perek 9 – final perek. YOU DID IT!

Amos sees a vision of how the altar in the Beis Hamikdash is going to be destroyed.

Hashem is going to slay Am Yisrael.

No matter where the nations try to hide, God will seek them out to punish them.

Nobody can escape God's presence.

God is so great that If God were to touch the earth it would melt!

God is going to wipe out Am Yisrael! But not forever...

In the times of the final redemption God is going restore the house of Dovid.

The entire world will recognize God as one.

Sweet wine will flow in the mountains of Eretz Yisrael!

The entire Am Yisrael will return to their land.

Eretz Yisrael will be rebuilt even nicer than it originally was.

The Jews will be firmly planted in Eretz Yisrael, never again to be uprooted.
