

Tzefania Perek 2

Tzefania directs both Yisrael and the surrounding nations to do teshuva.

Tzefania warns them of impending doom.

"Examine yourselves. Check yourselves to make sure that you don't have any sins.

"Humble yourselves. Lower yourselves to God."

God is going to return the Philistine land, including the cities of Ashkelon and Ekron, to Yisrael.

Eventually God will remember His nation and allow Yisrael to resettle Ashkelon.

God will treat Amon and Moav like S'dom and Gemorah, turning their land into wasteland.

God will "raise His hand" against Ashur and destroy it.
