# MOTORCYCLE TOURING CHECKLIST

## WHEN YOU GO, GO WELL-PREPARED

Shop our wide range of bike-friendly equipment in-store or online.

From navigation to compact camping gear, first-aid to hydration, tyre repair to apparel - we offer excellent products and helpful advice.

Please note that this checklist is intended to serve as a great starting-point for an enjoyable touring holiday in South Africa, camping as you go. It is not intended to kit you out for lengthy overland trips across our border.

### Make use of any of our in-store services to ensure a more comfortable travel

Visit Think Bike at [www.thinkbike.co.za](http://www.thinkbike.co.za) for more information on motorcyclists safety and operational responsibility of their motorcycles.
