

Shana Tova from the OU Impact Accelerator!

Thanks for a great year together!

- Over 50 new Jewish nonprofit founders applied to Cohort III for the OU Impact Accelerator. The top six organizations were chosen for [Cohort III](#) in February.
- We reflected on innovation, both throughout the selection process, in our article on "[A Year of Innovation](#)" and in learning about shabbat technology with our mentor network and OU Kosher's Rabbi Tzvi Ortner.
- We celebrated the accomplishments of Cohort II during our [Demo Day](#) in March, and the accomplishments of all the alumni during our [on-site retreat in August](#).
- And, we are grateful to our leadership, mentor network, and presenters throughout the year for making all of this possible.

Thank you for partnering with us! May it be a year of growth, innovation, and continued success
for us all!
Shana tova!
