THE OU IMPACT
ACCELERATOR SUPPORTS
STARTUP JEWISH
NONPROFITS.

This year, the Impact Accelerator will select ventures addressing affordability and economic empowerment.

Join Cohort V

APPLY TODAY

Accelerator.OU.org/Apply

The Impact Accelerator cohort will consist of ventures tackling the issue of **affordability and economic empowerment**. This includes (but is not limited to) ventures that address underlying issues regarding food and shelter instability, career assistance, high cost of tuition, tutoring, or special needs education, help to create financial literacy, financial assistance and coaching, and anything else that can ease the burden of the high cost of Jewish life.

Do you know a nonprofit founder?

Share our application with friends, family, and community members.

The Basics of the OU Impact Accelerator

Who: New nonprofit startups servicing the North American Jewish community by addressing affordability and economic empowerment.

What: Upon selection, nonprofit founders join a cohort of 4-6 organizations. Cohort members have access to a nonprofit management curriculum, professional and lay mentorship, OU resources, a grant, and much more.

How: Request an application Accelerator.ou.org/apply

When: Applications will be open March 14, 2023 - May 8, 2023

Together we can transform the Jewish communal future.
