CENTRAL JERSEY SCREW & BOLT

A Proud partner with the

Central Jersey Screw and Bolt was founded in 1979 in Lakewood NJ as a local wholesaler of fasteners and anchoring products, for the construction and manufacturing industries. CJSB has B"H grown over the years adding many different hardware lines, but our core value remains the same of "helping our customers source their hardware material at the best available price".

Central Jersey Screw and Bolt, has become recognized as a leader in both Quality and Customer Service, providing top-quality products and unparalleled service to the fastener industry. We can help you source and find just about any fastener available. In addition, our manufacturing department works with many different manufacturing partners and can create from print or conceptual ideas any custom product. Our highly experienced and knowledgeable personnel are ready to discuss your needs and concerns to ensure you get the product you need when you need it and at the price you want to pay.

With an inventory of over a Million items in stock and access to many more millions of products available country-wide, we are bound to have the items you are looking for when you need them. We can ship anywhere in the country within 4 days due to our optimal warehouse shipping department and can even ship your product ahead to your job site all ready for you to start your job.

Give us a shot call our sales team at **732-363-6900** Ext 2 or email sales@cjscrewandbolt.com and we'll be happy to assist you.
