THE JOY, CAMARADERIE, AND COMMUNITY...

BRING IT ALL Home

At Eden Gardens Orlando, you're not just buying a home—you're investing in a community. A place where luxury meets tradition, where every Shabbos feels like home, and where your family can grow, thrive, and connect.

WELCOME

Home

Eden Gardens Resort is the vision of Eli Steinhardt, a seasoned builder with 25+ years of experience. Having vacationed in Florida for over a decade, Eli saw firsthand the challenges frum families face when leaving their established communities. His solution? A place that brings the comforts of home to your retreat—without compromise.

Eden Gardens is more than a collection of homes.

It's a community where Yiddishkeit thrives, where neighbors become friends, and where every detail is designed for the frum lifestyle—all while getting the luxurious experience you deserve.
