

ABOUT HHAI

As the area's only Jewish day school, we **bring together students** from diverse backgrounds and traditions, united in the pursuit of a **premier education** that seamlessly blends traditional **Judaic studies** with top-notch, **rigorous academics**.

Our students thrive not only in the classroom but also through an abundance of **electives** and **after-school activities**, where **passions** are discovered, **friendships** are forged, and the learning experience is brought to life.

OUR COMMUNITY

At HHAI, we believe education thrives in a nurturing community. Our students, families, and staff create a close-knit environment where everyone feels a sense of belonging and purpose.

Jews all over the world — such as the United States, Russia, Israel, Spain, and Japan — find a home at HHAI.

Enjoy family events, such as Rosh Chodesh and Giving Tree's Tu B'shevat celebration. *and* community events that focus on connection, volunteering, STEAM, and more.

STUDENT OPPORTUNITIES

At HHAI, we recognize that every child is unique. Our small class sizes and dedicated teachers allow us to tailor instruction to each student's strengths, interests, and needs — ensuring they feel challenged, supported, and inspired.
