Our Mission

Our mission is to create an early childhood to 8th grade learning environment that fosters the intellectual, spiritual, and social growth of students from diverse Jewish backgrounds. We cultivate academic excellence, a love of Torah, Jewish values, Zionism, and Israel, and empower students to become confident leaders dedicated to strengthening the Jewish community.

Learning Approach

High-quality education in both general and Judaic studies. Utilizing Reggio Emilia-inspired instruction in Early Childhood and STEAM and Design Thinking in elementary and middle school, the curricula emphasize creativity, problem-solving, critical thinking, collaboration, and social emotional development.

Curriculum & Extracurricular Highlights

- Science, Technology, Engineering, Arts, & Math - STEAM
- Humanities & Presentation Skills
- Fine Arts & Pottery Studio
- Judaic & Hebrew Studies Advisory Program & Service Projects
- Competitive Sports
- Yoga
- Music
- Chess
- Martial arts

Our Commitment

We are developing the next generation of Jewish leaders through individualized education and engaging project learning. Our approach builds character in students so that they can achieve excellence.
