What3words is a geocoding system for the communication of locations with a resolution of **three** metres. Its an app you can download. These 3 words will take you directly to the car park at Woodland Nurture.

From the South:

Head North on A614 past Limes Cafe.

Take the next RIGHT turn onto Deerdale Lane, sign posted Eakring.

After a mile, there is a right hand turn to Bilsthorpe, go past this and take the next LEFT turn, sign posted Private Road Stud Farm.

From here you will see the Woodland Nurture signs. Follow these signs up the long drive, past the farm, past the "castle". Take the next RIGHT turn. Pass a barn on you left, then a bungalow on the right. Take the left turn at the bottom of the hill. Drive along the woodside. The car park is directly in front of you on the grass.

If you are coming for a session and there is no one to greet you, look for the wooden Woodland Nurture sign, head up the path through the woods, following the yellow string on the trees until you find us.

(If you are coming for an arranged look around out of session times, head up to the house and I will be there.)

Good luck and we look forward to seeing you!
