

All about Me:

My name is.....

Things I like...

Things I find hard or don't enjoy...

Things that help me calm myself...

Things that worry me...

And for the grown ups...

Please tell us a bit more about your child....

Do they have a medical diagnosis?...

Are there any professionals involved in their development? (eg speech therapists/ Occupational therapists/paediatricians)

Is there anything else that you think we should know about your child that will help us deliver the best experience for them? What other settings have they been to/do they go to?

If at any time you are worried about your child, do not hesitate to get in touch with us.

Rest assured that the information given is kept in the strictest confidence and only shared with staff at Woodland Nurture and then on a need to know basis.
