I understand that there is a risk of injury to my young person while using tools in woodwork or art sessions.

I hereby give my permission for my young person, as named above, to use the following tools: scissors, hot glue gun, pyrography pen, saw, drill, and any other tools available during their sessions.

I acknowledge that while staff will closely supervise all young people, it may not be possible to provide constant, undivided attention to each young person at all times.

I accept full responsibility for any injuries my young person may sustain, unless negligence on the part of Spiritus or its staff can be clearly demonstrated.

I understand that a safety briefing on tool use will be provided to all participants. I will ensure my young person is aware of the potential hazards associated with these tools and the importance of using them with care.
