01

**CAMP
EPIC
LATES**

How does it work

Everyday the children will head down to the music room, this is for both what was the after school sports and Camp Epic Lates. Once registered, the children will go whichever Activity they want.

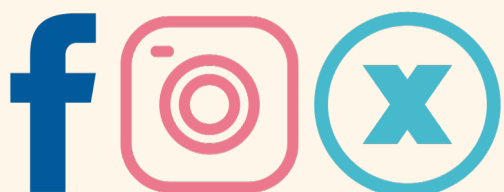

This will be for everyone, so we if we have KS1 Football for example, Key Stage 2 children are more than welcome, but the football will just be for KS1.

Pick Up

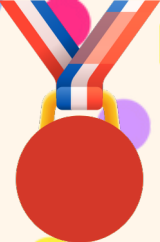

At 4.15pm the children will be taken back to the Music room. The children booked on to the 4.30 slot will be picked up from the Music room

If you are booked onto the Lates, you will need to ring the doorbell once the school is locked or give us a call on the number below and we will let you in.

What happens after
After the after school club children have gone, the children staying for lates will have a snack, then we will have a second round of activities, which the children will go do and then come back at 5.45 ready to go home.

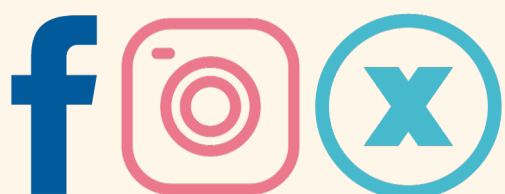

Snack

When we first open the snacks will be things like biscuits, bread sticks, popcorn and things like that. We will be asking the children what things they like and moving to a healthier fruit based snack

Communication

Each Camp will have its own mobile phone, this will have whatsapp and we have created a whatsapp group for each camp.
