Transport Schools to arrange own transport		NA	N/A

<p>Site and it's environment</p> <p>The grounds are regularly used for football sessions, physical activity and coaching sessions.</p> <p>Weather conditions will have an effect on playing surfaces, may become slippery if there is too much rain or ice.</p>	<p>Take care when moving about the area to avoid collisions with other performers/ equipment</p> <p>Correct footwear is to be worn to reduce likelihood of slipping.</p> <p>Coaching staff to adapt activities to suit the surface conditions and playing area.</p>	<p>Participants</p> <p>Lead Coach</p> <p>Other staff</p>
--	---	--

Alternative Plans (Plan B/Plan C)

If weather conditions are too bad for outdoor activities, the event will be rearranged for a later date.

Ongoing risk assessment - the most essential element - NOTE THE FOLLOWING:

1. Apply the control measures 2. Monitor how effective they are 3. Change, adapt, revise as required
