### **Registration Form**

Dear Parent/Guardian,

Thank you for joining us at Mini Food Explorers, I do hope you'll both have lots of fun.

Please note that adults must stay for the duration of the session. You are responsible for the child in your care.

Long hair must be tied back and children must refrain from tasting the mixture once it contains raw egg.

Please remain mindful to your fellow classmates regarding COVID 19. As the class is held in my house these will be cancelled and refunded should any member of my household exhibit signs of infection so please check your phone on the morning.

Please note that bookings are non refundable unless I am able to fill the space, as class numbers are limited.

### **Directions**

Mini Food Explorers will be held in my home. The address is Foxwood, Halls Lane, Waltham st Lawrence.

**Please park in the driveway to avoid disturbance to my neighbours**

The house is best accessed from the top of Hall's Lane, near the Church and The Bell Pub. We are then the 2<sup>nd</sup> house on the right, opposite a very old white cottage on the left straight after the church.
