

# You're Never Alone

## SEND support for parent's/Carers

**Our aim is to offer peer support to Special Educational Needs, (SEN) parents and carers by phone, email and social media.**

**We work with you to help navigate the trials and joys of being a SEN parent/carer, ensuring you feel supported and empowered.**

**How do we do this? We offer a listening ear, advice and positive coping strategies; as well as signposting to relevant and helpful agencies that may be able to offer even more support and guidance.**

**We also have a peer support group available every Tuesday morning 9.30-11.30, term time only at Woodlands Children's Centre, with refreshments and snacks provided.**

**Woodlands Centre, Farnborough Ave, South Croydon**

**CR2 8HD**
