

Adult & Baby/Toddler/Pre-school Class Information – St. Michael’s Middle School

Contact number

Elizabeth Mills: 07795026207

Location

Address: St. Michael's Middle School, Colehill Lane, Colehill, Wimborne, BH21 7AB

Parking

There is usually plenty of parking available on the road outside the school grounds. Please do not park in the school car park - Thank you.

Getting there

The pedestrian gate at St. Michael's Middle School is opened using this code: **1580**. Please only share this code within our Swim School. To open the gate to exit, please use the green button on the post on the fence and pull the gate open. Please use the pedestrian path and avoid walking across the car park. Follow the signs at the back of the car park, for the swimming pool. There is a separate entrance to the pool building - You don't need to go to the main school reception.

When you arrive... WELCOME!

Please sign in, using the electronic system in the reception area, outside the changing rooms. Please feel free to arrive up to 15 minutes earlier for your swimming lesson. Please leave any push chairs in the covered area in the entrance. Please remove outdoor shoes before entering the changing room and pool areas. Please keep mobile phones away once in the school grounds (St. Michael's School policy) and especially in the changing rooms (Swim England Policy). Photography is not permitted at any time. There is a spectator gallery next to the poolside and you are welcome to invite spectators. Please could you remind guests that mobile phones and photography are not permitted. Thank you.

What to bring...

Please bring a towel onto poolside for you and your little one (just in case we have a fire bell and have to wait in the viewing gallery area, which can get a little cold sometimes).

Please use a swim nappy for your little one (if they are not fully potty trained).

A neoprene baby wrap, baby wetsuit or thermal top is recommended to keep your baby/toddler more comfortable in the water.

Please bring any medication (e.g. inhalers) onto the poolside.

Changing Facilities

You may wish to come 'beach ready' to save time in the changing rooms. Showers are available for use. Due to a higher proportion of females at our swimming lessons, the male changing rooms can also be used by females, and this changing room therefore becomes a unisex changing room. It is also used as a walk through for males and females to the poolside. For this reason, adults, please change modestly and the cubicles/disabled changing room can be used to change in. (The female changing room is used by females only). Please remove jewellery before entering the pool. There is also an accessible changing room.

Cancellation

We regret that no refunds can be given for missed sessions. If I have to cancel the session myself, you will be given an alternative/roll over lesson, or full refund (if an alternative lesson isn't possible).

Please only come swimming/spectating if you and your child are feeling well.

If there are any changes in your Contact information, including medical information, please let me know before you start your session.

Please sign out upon leaving the building.
