

PLEASE SEND THE FOLLOWING WITH YOUR CHILD FOR THE SUMMER SCHEME

- Nappies and anything else required for toileting your child.
- Spare clothing.
- A labelled drinks bottle and a snack for your child (We will be providing snacks and drinks but we understand that some children have specific dietary requirements/aversions).
- Any medications clearly labelled that your child may need during the session.
- A coat for rainy days.
- A hat and sun cream for sunny days.
- Ear defenders or any other visual/sensory aids required.

Parents/carers are advised **NOT** to wait around outside the main doors or windows before finishing time as this can distress some children. We would advise that you wait in your car or out of sight until you are intending to come into the hall and collect. Waiting within sight will mean you are accepting responsibility of care at this time.

At drop off and collection, please come right into the hall and close the door behind you. As you can understand, we have a lot of children who are 'flight risks' so it is so important that the doors are not left partially open while you speak to a member or staff or volunteer.

Our contact number during these sessions is **07845646329**.
Let me know if you have any further questions.
Thank you for your co-operation and understanding.
