Dear campers,

It's here again, Nerf Retreat 2024! Since its inception, the Nerf Retreat has been the highlight of the year for many of you. I am always amazed at the variety of Nerf guns that you guys bring. Everything from a single shot stub nosed, to a fully automatic battery-operated gatling gun (which is fun to shoot until you start reloading).

This year we will have two speakers. One for the elementary age campers and one for the Teens. Don't worry though everyone will get in on the fun when the battle begins. Lamar has some great ideas that he wants to do this year, and I can't wait to see them myself. So, make sure that you remember the date and invite some friends. Also, we will be giving away a new Nerf gun to one lucky winner. See you soon!

Kermit
