Parking

There is plenty of free parking in the school car park.

Getting there from the car park

Follow the signs at the back of the car park, for the swimming pool. There is a separate entrance to the pool building - You don't need to go to the main school reception.

When you arrive... WELCOME!

Please sign in, using the electronic system in the reception area, outside the changing rooms. Please arrive around 15 minutes before the start of the session to give you time to try on tails and fins. Please remove outdoor shoes before entering the changing room and pool areas. Please keep mobile phones/cameras away in the changing rooms (Swim England Policy). Please do not use your cameras at the poolside or in the viewing gallery - I will take photos and videos to send to you after the session. Photos/videos will be with you, within two weeks of your session.

There is a spectator gallery next to the poolside and you are welcome to invite spectators. Please could you remind guests that photography is not permitted. Thank you.

Important

Weak/non swimmers must be accompanied by an adult in the water. Children aged 8 or over, who can swim at least 25m unaided confidently, do not need an adult in the water with them.

What to bring...

We provide tails and fins for your child to use for the session, or the child can use their own if they have one. Don't forget your goggles!

For weak/non or under 8 swimmers, **please note that the supervising adult will not be wearing a tail.** Disc armbands and woggles will be available if your child needs buoyancy aids (or the child may use their own).

Please bring any medication (e.g. inhalers) onto the poolside.

Changing Facilities

There are shower and toilet facilities, and an accessible unisex changing room. Please shower before entering the pool. Please feel free to come 'beach ready', to save time in the changing rooms. Please remove jewellery before entering the pool.

There is a viewing gallery on poolside for spectators, which is accessed through the changing rooms. Please use the correct Male/Female changing rooms to walk through.

Cancellation

We regret that no refunds can be given for missed sessions. If I have to cancel the session myself, you will be given an alternative/roll over lesson, or full refund (if I am unable to provide an alternative lesson).

Please only come swimming/spectating if you and your child are feeling well.

If there are any changes in your Contact information, including medical information, please let me know before you start your session.

Please sign out upon leaving the building.
