“Let's Play”

DISRUPTIVE • REACTIVE • COMPETITIVE

3v3 Football designed for players who just want to **play, improve & win.**

3's League™ // Code of Conduct

One **Game**. One **Standard**. One **3sL**.

Every **player, coach, referee, volunteer, supporter and wider** shares the same responsibility — to **protect** the game and the **people** in it.

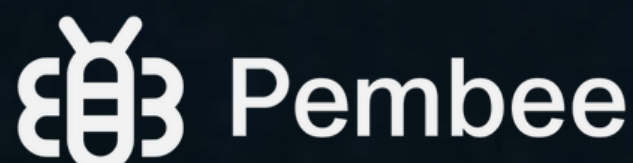

We will....:

1. play with **respect** for the game. Decisions stand. Emotions stay **controlled**.
2. support, **no** advice, **no** prompting. **Positive Energy** fuels players — not pressure.
3. act with **integrity**.
4. represent our Clubs, our schools, **Myself** and the League with **pride**.
5. put **safety** first. Bring my shin pads to every GameDay.
6. demonstrate that physical, emotional and social wellbeing come before any result.
7. leave no trace but effort. Respect the pitch, equipment, and environment.
8. Win, Move Up. Lose, Move Down.
9. always learn & always end a Match with a GG.
10. always have a **Choice**.

Together, we create a safe, empowering, and respectful environment — Evolving in architecture. Simple in delivery. Sustainable in practice.
