1. Our Aims

At Beams of Light, we believe in helping children build a strong foundation for their future. A healthy breakfast is essential for children's wellbeing, focus, and readiness for learning. Our Breakfast Club provides a safe, welcoming, and inclusive environment where children can enjoy a nutritious breakfast and begin their day calmly and positively.

We welcome all children regardless of racial, religious, or cultural background, language, gender, or additional needs.

2. Opening Times (Term time only)

Monday to Friday:

7:50am – 8:50am

3. Registration and Safety

- Beams of Light Breakfast Club is Ofsted registered
 - Beams of Light is fully insured
 - Children are supervised at all times
 - Safeguarding and child safety are our highest priorities
-

4. Booking Requirements

- We strongly encourage parents to book Breakfast Club sessions at least **24 hours in advance** to ensure appropriate staffing ratios can be met.
 - The booking system remains open **until 7:30am** on the morning of the session to support families where possible.
 - Children who arrive at Breakfast Club without a prior booking will only be considered for admission on the day if places are available and statutory staff-to-child ratios can be maintained. Places for unbooked children cannot be guaranteed and are subject to availability, staffing levels, and the safe and effective operation of the provision at that time. Where the club is fully booked, unbooked children will not be able to be accommodated. Parents and carers are strongly advised to book in advance via the online booking system (Pembee), which clearly shows availability and any waiting lists. Booking ahead helps prevent disappointment and ensures children are not turned away on arrival due to the club reaching capacity.
