CAMP EPIC LATES

01

How does it work?

Each afternoon the children will meet at the Library after school.

Once registered, they will head off to whichever activity they choose.

Book here

Pick Up

At 4.20pm the children will be taken back to the Library. Those children booked on to the after school club only are to be picked up from here at 4.30pm. For new parents or alternative collections there is a password for each child.

Children booked onto Camp Epic Lates will continue their club and are to be collected from the side gate access from the Eversley Leisure Centre car park. If you are happy for your children to walk home, please ensure you email us separately to confirm this

CAMP EPIC LATES

02

What happens after?

When the after school club children have gone home, the children staying for Camp Epic Late's will be given a snack, and a second round of activities will begin until home time at 5.45pm with a closing time of 6pm

Snacks

Initially the snacks provided will include items such as biscuits, bread sticks and popcorn. As we get to know your children, we will add their favourites (where possible) as well as fruit based snacks.

Communication

Each Camp has a dedicated mobile phone with a WhatsApp group created for each Camp Epic Lates site. Regular updates will be provided to parents through this app.

The number is at the bottom of the page

What do I need to pack or wear?

We suggest you pack a drink bottle. The one they use at school is fine; we will top it up if they run out. If your little one is looking to do sports activities, we would suggest an appropriate change of clothes..

Please note if your children are doing sports activities they will need to remove jewellery.

I've got more than 1 child

If you have two children, and one wants to join the sports club and the other doesn't, that is absolutely fine. One can go do sports, and the other does Camp Epic Lates, the same as if you have children in different year groups, etc.

“Can I attend a school club then come to Camp Epic Lates”

At the moment, we don't have the capacity to do this on our platform, so you would need to book both clubs. We have to keep a space for your child just in case anything happens to the other club.
