Location

Address: Yarrells School, Yarrells House, Upton, BH16 5EU.

Parking

There is plenty of free parking in the school car park.

Getting there from the car park

Go through the wooden gate on the left of the car park. Walk down the stoney path and turn left. (Turning right will take you to the toilets). Continue down the stoney path to the swimming pool, which you will see on the right. The changing rooms are on the left.

When you arrive... **WELCOME!**

Please arrive around 5 minutes before the start of the session to give you time to try on tails and fins. Please remove outdoor shoes before entering the changing room. Please keep mobile phones/cameras away in the changing rooms (Swim England Policy). Swimmers entering the pool dome will need to walk through a shallow foot bath to remove any dirt. Only swimmers are permitted on the poolside.

What to bring...

We provide tails and fins for you to use for the session, or you can use your own if you have one. Don't forget your goggles! **Swimming hats** are to be worn in the pool please.

Please take your **towel/dryrobe** to the poolside and leave on the benches. A towel/dryrobe is required, in case of emergencies/evacuation. (There is also a short walk outside across the path, from the changing rooms to the pool). You may also wish to bring flip flops/crocs to wear across from the pool to the changing rooms.

Please remove jewellery before entering the pool.

Please bring any **medication** (e.g. inhalers) onto the poolside.

Changing Facilities/Accessibility

There are toilet facilities, which are a short walk down a path from the swimming pool/changing rooms. There are male and female changing rooms. Please feel free to come 'beach ready', to save time in the changing rooms. There is a very low step up into the

changing room area from the path. There are four steps leading up to the pool area, from the path. Please note, there are currently no accessible separate changing rooms or toilet facilities.

The Pool

The pool is beautifully maintained and recently refurbished. It is situated within a clear dome, where you can see the sky and trees whilst you swim! The pool is heated to lovely warm 30 – 31 degrees Celsius. The dome can be opened up in sections to allow the sky to meet the pool!

Cancellation

We regret that no refunds can be given for missed sessions. If I have to cancel the session myself, you will be given an alternative/roll over lesson, or full refund (if I am unable to provide an alternative lesson).
