### Meeting Point:

At the fork leading to Savio College, Dingli, close to where the Magic Illuminated Trail is usually set up.

There should be parking available in that area. You may also park in the parking lot just before Château Buskett and walk up to the fork, as per the dropped pin that will be shared.

### Walkathon Route & Stops

We will enjoy the walk together with a few scenic pauses along the way.

#### Stop 1

A short break and nibble in Triq Ħal Tartarni.

#### Stop 2

A second pause next to Saint Magdalene Chapel on Dingli Cliffs – one of the most beautiful viewpoints on the island.

#### Stop 3

Under the Buskett tent, where we'll recharge before the final stretch down to the picnic area.

### End Destination:

Buskett Picnic Area, where we'll relax, eat, unwind, and enjoy a small Easter Egg Hunt for the children.
