

Holiday Workshops

Hello and welcome to Go Go Art!

We are so excited to offer our holiday workshops once again, it is such a great opportunity to connect with those who can't make our weekly classes. For those who have been with us before, welcome back! For those who are new, welcome aboard! It is great to have you all with us.

The goal of Go Go Art is to provide creative art experiences for all children, and the launch of our classes is the first step along that journey - thank you for being a part of it!

A couple of items regarding the workshops..

- ❖ Please see your booking confirmation email for time and date of your session/s - all sessions will be held at Inspiring Minds Studio - 960 Mt Alexander Rd.
- ❖ Everything will be supplied for the classes but children are welcome to bring their own art smock if they like. Please ensure your child has a drink bottle and something to eat before arriving - they can bring a small nut free snack, e.g. fruit, crackers to have in the middle of the session. It will only be a short 10-15 minute break so please keep this in mind.
- ❖ If this is your child's first time at Go Go Art, and you have anything to share with us that is important to be aware of while we are in supervision of your child, please have a conversation with us at drop off.
- ❖ All skill levels are welcome and encourage you to share our details with any friends or family that you think would enjoy coming along 😊

Thank you again for your interest in Go Go Art! See further below for some FAQs but feel free to reach out if you have any questions

- Jess + the Go Go Art team

FAQ

What age group are these classes designed for?

Our classes are perfect for children aged 4 to 12 years old. We tailor activities to be enjoyable and suitable for this age range.

Can I stay during the session?

You are welcome to stay if you like but your child will always be in the care of our qualified school teachers and so a drop off is also encouraged.

Will there be food provided?

Unfortunately not. Please give your child something to eat before class.

Does my child need to be artistic?

Not at all! These classes give an opportunity for every child to express their creativity through art and we love seeing how this evolves for each individual child.

My child has an allergy to ____, will this be an issue?

If your child has any allergies, food or other, please let us know. We can ensure we tailor this appropriately and safely. Important: if your child is on any form of medication or management plan (ie - ASCIA Action Plans for Anaphylaxis), please have a conversation with us.

What should my child wear to the classes?

We recommend comfortable clothing that you don't mind getting a little messy. If your child has an art smock at home and would like to bring that, feel free, otherwise we will provide an art smock to use in the class.

What if my child misses a class?

We understand that sometimes absences happen. While we can't offer a refund for a missed class, we'll do our best to provide catch-up sessions.

Can I request a specific focus or support for my child?

Certainly! We strive to accommodate individual needs where possible. Please discuss your child's specific needs with us in advance.
