**What happens after**  
After the after school club children have gone, the children staying for lates will have a snack, then we will have a second round of activities, which the children will go do and then come back at 5.45 ready to go home.

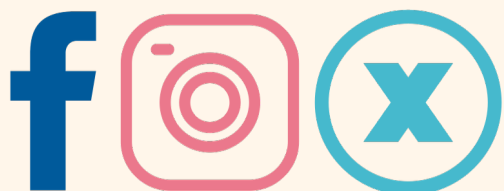

## Snack

During each night a selection of healthy food and snacks will be laid out, mostly fruit and veg sticks.

Those who stay late, we make a light tea for the lates.

## Communication

Each Camp will have its own mobile phone, this will have whatsapp and we have created a whatsapp group for each camp.
